

REMARKS

In the Office Action, the Examiner indicated that Claims 7 and 8 of the present application would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Accordingly, the Applicant has incorporated 5 Claim 7 into independent Claim 1, and rewritten Claim 8 into a new independent Claim 15. Independent Claims 1 and 15, as rewritten, include all of the limitations of the base claim and any intervening claims. As all other remaining claims are dependent on either claims 1 or 15, Applicant respectfully requests that the present invention be allowed, and reconsideration is respectfully requested.
